Parking: There is a public parking garage (Euclid Auto Garage) with a pay station very close to UMC (see red circle). We were assured that there should be plenty of parking, but if that is not the case, the closest CU lot is 306 (with a pay station) at the corner of Regent and Broadway (the red circle in the lower righthand corner). Also, there is some 2-hour parking at 16th & Euclid next to UMC (not shown).
